

ROBERTS GORDON® Heating Controller - Alarms

The screenshot displays the 'Panel 1 Alarms' screen of the Roberts Gordon Heating Controller. At the top, there is a navigation bar with a home icon, a 'Prev.' button, a 'Reset' button, the title 'Panel 1 Alarms', and the 'ROBERTS GORDON' logo. Below the navigation bar is a table with four columns: 'Date', 'Time', 'Alarm', and 'Status'. The table contains six rows of active alarm data.

Date	Time	Alarm	Status
05/17/2024	07:29:40	Vac. Pump Alarm	Active
05/17/2024	07:29:40	Air PSI Switch Alarm	Active
05/17/2024	07:29:39	Zone 2 Sensor Fail	Active
05/17/2024	07:29:39	Zone 1 Sensor Fail	Active
05/17/2024	07:29:39	Burner 2 HOA Alm	Active
05/17/2024	07:29:39	Burner 1 HOA Alm	Active

If users want an alarm on the home screen, users have three (3) options:

Active, Historical and Log Alarms

ACTIVE ALARMS				
Active Date	Active Time	AlarmMessage	Status	AlarmType

HISTORICAL ALARMS							
Active Date	Active Time	AlarmMessage	AlarmStatus	AlarmType	ACK Date	ACK Time	RTN Date

LOG ALARMS				
Date	Time	AlarmMessage	AlarmStatus	AlarmType
